

ENTERGY NEW ORLEANS, INC.
ELECTRIC SERVICE

RIDER SCHEDULE DTK-2

Effective: October 29, 2010
Filed: May 27, 2010
Supersedes: DTK Effective 6/1/09
Schedule Consists of: One Sheet

DATALINK WEB-BASED ACCESS TO INTERVAL LOAD DATA RIDER

I. AVAILABILITY

DataLink is available under the regular terms and conditions of Entergy New Orleans, Inc. ("ENOI" or the "Company"), at all points throughout the territory served by the Company to customers receiving electric service under the following Rate Schedules: Small Electric Service (SE), Master-Metered Non-Residential Service (MMNR), Large Electric Service (LE), Large Electric High Load Factor Service (LE-HLF), High Voltage Service (HV), Large Interruptible Service (LIS) and Experimental Interruptible Service (EIS). Company has the right to terminate this Rider at any time, upon giving thirty (30) days written notice of intent to terminate to the City Council of the City of New Orleans. In such event, each current Customer served under this Rider will continue on this Rider until the end of the Customer's then current contract term, irrespective of whether such contract is in its Original Term or Renewal Term as defined below.

AT

AT

II. APPLICABILITY

This Rider Schedule DTK is an optional service available at the Customer's request and applicable at the option of the Company to any Customer contracting under any of the ENOI rate schedules listed above for 150 kW or more of maximum capacity and who also has an Interval Data Recording ("IDR") meter installed. Service hereunder is subject to any of the Company's rider schedules that may be applicable. Service under this schedule shall not be resold, sub-metered, used for standby, or shared with others.

III. CONTRACT TERM AND TERMINATION

An Agreement for DataLink Service requires a minimum term of two (2) years ("Original Term"). If the customer elects to cancel service before the completion of the minimum term, the customer will pay to the Company liquidated damages equal to the balance of the fees due, based on the current tariff, for the remainder of the minimum term of the Agreement. Customer and Company each has the option to terminate the contract at the end of a contract term (irrespective of whether such contract is in its Original Term or Renewal Term as defined herein) if a minimum of thirty (30) days written notice is provided. If not terminated, the contract will automatically renew for successive one year terms (each individual one-year period being a "Renewal Term").

IV. GENERAL PROVISIONS

DataLink is an optional service that provides the Customer with web based viewing access to Customer's interval load data that has been collected by the Company. The service allows subscribing customers the option of viewing the updated load data on an hourly or daily basis.

AT

AT, CT

Customers that do not have interval metering must have an interval meter installed by the Company at Customer's expense to enable interval data collection. Customers requiring an upgrade to interval metering may elect to pay for the interval meter installation either through a one-time charge or by a recurring charge paid monthly during the term of, and extensions of, the contract term.

The communication link for the transmission of the collected interval data by the Company will be the telephone line which will be provided by the customer and at the customer's expense. At the customer's request, the Company will provide an optional wireless communication link pursuant to the terms of the Company's Remote Communications Link Rider, RCL. If Customer requests a wireless communication link Company reserves the right to use such link to provide access for retrieval of Customer usage data for billing purposes.
